## #FuramaKids March Family Holidays at Furama RiverFront

**Singapore, 21 February 2017** – March your way to a #FuramaKids staycation at Furama RiverFront with our Special Family Room #FuramaKids bundle starting from \$298nett!

The March school holidays are fast approaching – avoid the hassle of overseas travels and plodding flights in exchange for a convenient and equally memorable staycation here with your loved ones. Created with family and children (aged 12-years and below) in mind, our Family Rooms are furnished to provide a comfortable space equipped with two queen beds setup in a colourful ambience. Family Rooms hold the capacity to accommodate up to two adults and two children with complete children-friendly amenities to keep your kids entertained during your stay. As part of our #FuramaKids bundle, guests can look forward to be treated to an array of complimentary privileges such as surprise goodie bags for children, complimentary breakfast and dinner, soft drinks from the Mini-Bar; each child also enjoys a packet of milk before bedtime, and much more!

At Furama RiverFront, we aim to create a family-friendly environment for guests. In addition to the children-friendly amenities in the Family Rooms, PAWS – a children’s playroom, located at level 1 is ideal for juniors aged 5-11 years-old. Juniors will have a blast getting creative with LEGO blocks, and turning imagination to drawings on the black or white board. As a quick distraction for tiny humans, cartoon screenings are also available at PAWS. And at a minimal cost, babysitting services can be arranged with a day in advance booking.

For a fun day in the sun, the hotel’s main swimming pool has a separate section for families, with a special highlight – a shallow inflatable waterslide. Children can look forward to hours of fun on our waterslide, a well-equipped play area, with selected pool toys. Parents can rejuvenate with a refreshing dip in our outdoor swimming pool while the children enjoy a fun-filled water play. **And share your fun family moments at Furama, tag us on Instagram with #furamaKids, we'd love to see what brings families together!**

After those hours of recreation, tummies will rumble to be filled! Families may look forward to indulging in International or Indonesian cuisine at our in-house restaurants – The Square @ Furama and Kintamani Indonesian Restaurant respectively. Both serve a wide variety at their buffet spread as well as on their ala carte menu. Dine at The Square @ Furama, and children aged 12 years-old and below, dine for free when ordering from our special ala carte kid’s menu. Parents may find time to dine and relax, while their little ones are kept busy at our dedicated kid’s play area – Tykes @ The Square, with interesting and fun activities such as popular cartoon video screenings, activity sheets and free-play toys.
